Back office vaults

BE SAFE
BY
BE DUTCH

BACK OFFICE VAULTS

In your hotel it is a coming and going of people.
Ensure that valuable documents are safely stored at your reception or in other public areas.

With the Be Dutch back-office and reception safes, valuables can be stored in a fire * and burglar-resistant manner. A safe feeling for your staff and your guests.

All safes are provided with mounting holes and have an electronic combination lock.

* applies to the back office safes
