Hotel Safe Topline

High segment,
with
internal LED light

TOPLINE

High segment, with internal LED light.

You do everything to offer your guests a safe stay in your hotel. However, safety goes beyond public areas and the hotel room door. With the solid hotel safes of BE DUTCH, your guests are assured of the safety of valuable documents, jewellery and electronics.

The TOPLINE hotel safe has been developed for high segment hotels, and offers extra security for your guests by replacing batteries on the outside of the safe.
