CLOTHES HANGERS

in natural and black wood

Your guests arrive with their best clothes packed for their business trip or vacation. We offer a range of products that make sure they can unpack easily and prepare to go out of the hotel looking smooth.

Suits, jeans, skirts or shirts? They can be kept in shape, and wrinkleless by hanging them onto the BE DUTCH clothes hangers.

The clothes hanger with a non-slip trousers bar is available with a normal hook and with an anti-theft hook. The normal hook version can also be obtained with skirt clips.

All models are available in natural wood and black.
