

In case of an emergency

Emergency torch
Flight plan holder

EMERGENCY & SAFETY PRODUCTS

As a hospitality professional, you do everything possible to offer your guests a pleasant and secure stay. In the unfortunate case of an emergency, you do everything possible within your ability to manage and control the situation. The way you manage the situation can be life-saving! We offer products that will help you providing your guests and staff a safe way out if necessary.

Safety plan holders

The click frames are available in A3 and A4 format, and enable you to present evacuation plans in all the places required; hallways, hotel rooms and in elevators. Of course they may be used for other purposes as well, present menu's and other messages quick and easy.
