MINIBAR ECOLINE 36

eco friendly and noiseless minibar

Be Dutch minibars not only offer your guests the possibility to serve a cool drink without leaving the room, but are also suitable for keeping medicines, baby food or fruit cool. Offer your guests the best service with a Be Dutch minibar.

The ECOLINE minibars have Peltier cooling, which means they are vibration-free and therefore completely silent. It uses 50% less energy than a traditional minibar and is CFC-free, so you contribute to a better environment and save on your operational costs..
