tray and kettle
0,6 L

WELCOME TRAY SET MINI

The welcome tray set MINI consists of an ABS tray and a kettle of 0.6 L.

Welcome tray MINI is made of black ABS with a wood grain structure. The material is easy to clean with soap and water, the round corners prevent dirt from accumulating. The bottom of the tray is equipped with 4 silicone gliders to prevent damage to your desk or table.

The kettle is made of high-quality stainless steel, has an automatic switch-off function and is protected against overheating (STRIX controlled). The cable of the kettle (73 cm) can be led under the tray with the integrated cable guide.
